I'm so
crazy

Why did
it end up
like this

I'm so sorry

I'm really
confused

After
pondering
to that
unpleasant
memory from
that last
battle...

What have I
done...

My mind is
all screwed
up...

You think
that power...

is unpleasant?

Entering
someone's
mind
without
permission...

And
forcibly
controlling
it...

Of course...

It's such a
despicable
strength...

To think of
it...

*Besides I
never
thought*

*Don't get
me wrong!
I am per-
fectly
normal!*

*You forcefully
controlled
me!*

*I don't
know if you
felt the
same as me
but...*

*I was
honestly
happy to
become one
with you*

*I felt your
guidance
toward
me...*

That time...

*As much as
my words
cannot hold
its meaning...*

*And I was
strongly
relieved*

But it was an unexpected situation, right?

It's natural for them to panic.

Well, because they already have.

familiar as their partners.

But...

Elizabeth and Arnett's views were different.

That power that was felt during the battle.

Everyone there was really surprised.

As a proof, they want to talk to you right now.

Remember what Elizabeth said?

She said, "A person with great power has his or her corresponding duty to be fulfilled."

Paradise seek for more strength to carry out their mission but...

They fear the sacrifice needed in order to obtain it.

I think you might show us paradise a new way to follow.

*Should not run
away from his
responsibilities*

*And I think
somebody
who is born
with that
incredible
power...*

*is
something
unpleasant*

*I don't think
your power...*

*Then I'll also
accept every
step you take
from now on.*

*If you are to
take the burden
of your
responsibility
with your
power...*

My...

Responsibility...

The burden
for those who
possess the
power...

*Or run away
from it...*

*You cannot
refuse it...*

A man with short hair, wearing a suit and tie, looking slightly to the side. He is standing in front of a window with curtains.

*Anyway,
it's been a
long time...*

A woman with long, light-colored hair, wearing a light-colored, low-cut dress. She is standing in front of a window with curtains.

Cassandra

*Since we spent
time like this...*

はい

And
he's
also...

Very
Similar

You're the
most
similar to
Maria

Even
among
your
sisters...

Please tell
me,
Cassandra...

Forcing
Kazuya to
bear this
fate... Do
you hate
me for
that?

Do hate me
for having
you born
into this
world?

I'm sorry.
That was
a mean
question.

I'm
seriously
a
coward...

I did a
same
thing to
him...

You never
give an
answer that
I don't like.

That's
why
you're
being
silent...

Already
knowing that
he...

Cannot deny his
destiny..

was safely
born from
your body...

When
Kazuya...

I thought
I'd have to
tell you
one day...

But
Cassandra...

I was very
happy...

As a
relative
And as a
grandfather...

Then anyone
else...

I felt happier...

Cassandra...

*Thank
You*

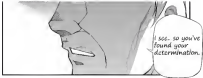

You're...

My daughter...

*I accept
what you
ask for.*

I see... so you've found your determination.

But on one condition...

Seems you understood a bit about your role...

I thought you're going to refuse...

Please keep this as a secret to every one else

What are you planning to do about me up?

Can't stop

It's some-
thing that
only I can do,
right?

Then, I won't
run away
from it

Don't worry,
I'm alright

I've already
thought about
the possible
outcomes
before I made
my decision

It's just that I
don't want
Satellizer, Sengou
and others...

To be worried
about me doing
this

Everyone is
throwing
their lives to
protect this
future...

it's not
some kind
of sacrifice...

Yes...

Grandpa...

Using a Pandora's
soul as a genera-
tor

we focus the soul
to the existence of
a person that can
open the
dimensional gate.

Is of course,

And that person.

Lancelot.

Maria

But you
are
different.

Analyzing
the power
of stigma.

All I could
do was
connect the
fragments of
information.

Maria once
tried to
send me
information
from that
other side.

But since I
was a
human, I
could only
recognize a
glimpse
of it.

Finally, return.

Having a complete stigmatic body...

You should definitely be able to understand the truth Maria was trying to show us

You will contact Maria with your freezing

And as a mental body, you'll pass through the dimensional gate

Observe Maria's world as a human race...

And show us everything, for the sake of all our mankind!

And deeply remember what you see!

And for
that...

All of our
family shall
protect
you!!

Slightly
OK.

What's ok.
Send...
All clear

Grandpa...

!

If we don't
stop this...

The soul
consumption
rate has
exceeded more
than the twice
of the
predicted rate!!

Requesting
emergency
suspension!!

Doctor!!

!?

N... Nothing.

It's just that...

Kazuo calling me...

I think I heard...

Satellizer-san?

What's the matter?

I...it's not like that! I really heard it!

You don't have to act all like that, you know. You're his wife!

What do you mean, I'm his wife?

Why are you acting all shy now?

But now work on your heart-breaking appeal thought!

This is...

Why did that happen...

Has
disappeared...

Aoi Kazuya's
body...

It was not
about
sending his
physical body!

The plan was to
send only his
mental body...

!?

Please calm
down
Ochare-don

What's
going on?!

Doctor Aoi?
What is
this...!?

Arcadia...

*Has also
disappeared!!*

My...

Now...

This is no
good...
